Reporting to Parents

This week your child will be bringing home their formal written report advising of mid year progress in relation to curriculum levels in Reading, Writing and Maths. This year additional reporting has been done on the Key Competencies and our School vision and values. Students have had the opportunity to add their own voice to their reports on what they do well in regards to the NZC key competencies and what their next steps could be.

Along with your child's school report will come an invitation to join their learning through the digital platform 'SeeSaw' if you have not yet done this.

SACRAMENTAL PROGRAMME

Congratulations to the students above who received the Sacrament of Reconciliation recently.

How lovely to celebrate with you over cupcakes, milo and marshmallows.

MUFTI MANIA

Mufti day and mass on Friday 6th July, to raise funds for Apifo'ou College. In February, Cyclone Gita caused widespread damage throughout Tonga.

One of the worst affected schools was Apifo'ou College in Nuku'alofa. This college has lost resources and has had buildings destroyed.

Please join us in supporting our Tongan neighbours. We will also be having a school mass at 9:00 am. Parents and friends are welcome.

School Holidays

Forget "just surviving" the holidays - here are some ideas to help you and your family and whānau have fun and "thrive"! Your child needs the holidays to recharge their batteries and refresh themselves, ready for the next term. Holidays are also an opportunity to spend time with your child and have fun together.

Keep it simple, affordable and fun. The key is enjoying time with your child - it doesn't have to be a chore or cost a lot of money.

Enjoy your break TIME together and we look forward to seeing you all refreshed in Term 3.

We will be learning about "The Life Cycle of a Plant and Friends and Foes of the Garden."

Students are required to wear the correct school uniform and may wear sturdy shoes as we will be doing a lot of walking.

We hope that Rooms 6, 7 and 8 have a wonderful time full of learning.

TRAVEL WISE

St Joseph's is a Travelwise school. Travelwise is supported by Auckland City Council in partnership with Auckland Transport.

Help make your children's journey to school active, social, safe, and sustainable.

Always Use the Crossings

Children will copy your example, good or bad. Always use the safe crossing areas, respecting the road patrollers.

Our school has a 40km Speed Zone

Please stay within the sign posted speed limit. This is for the safety of your young person and their friends.

Avoid the congestion!

Avoid the stress and congestion at the school gate. Park in the church carpark and let your child walk the short distance to school.

Entry

Please make sure you and your child use the pedestrian gateways only. Children are not permitted to walk through the staff car park - it is a dangerous area.

PARENTS PLEASE DO NOT DRIVE INTO THE SCHOOL GROUNDS TO DROP OFF YOUR CHILD

Congratulations to Niko Duran Lu for his winning poster during Travelwise week.
