

At St Joseph's Catholic School, we have a compulsory school uniform which is to be worn correctly to promote pride in our school. Our uniform provides several options for students and aims to be smart, practical, and comfortable.

The BOT of St Joseph's Catholic School approved uniform change in 2018 with transition of the uniform happening at the start of 2019. Students were given a years grace in which they can continue to wear the old uniforms. By the start of 2020 every student of St Joseph's is expected to be in the new uniform.

There is no longer a separate winter and summer uniforms. One uniform for the year.

The uniform is stocked at The Warehouse Royal Oak.
