

Kiaora, Malo e lelei, Talofa lava, Bula, Mabuhay, Annyeong, Ni hao, Greetings to you all.

We have started into a new phase of New Zealand's response to COVID-19 and it is very different than anything most of us have ever experienced. I wanted to reassure you that our school staff and Board of Trustees will continue to be available to support our tamariki.

You will understand the importance of routine for your family. If your routine has been shaken up, like you're now working from home, it's good to structure your time. Routines are reassuring, and promote health and physical wellbeing. This schedule (available on our school website) may have been something your household adapted over the last few days. As we enter into school holidays this will likely look a little different, but some form of routine will still be important as we go through the lockdown period.

Over the holiday period you may wish to continue with the homelearning packs or the online learning links on our school website as this may create the space for you to do the work you are required to be doing from home. But it is not an expectation and we will not be updating it over the holiday period. Our teachers will be exploring what distance learning options we use once the official holiday period is over.

WE WILL CONTACT YOU PRIOR TO THE START OF THE SCHOOL TERM - 15 APRIL AS TO WHAT OUR DISTANCE LEARNING WILL LOOK LIKE OVER THE REST OF THE LOCKDOWN

There are links over the page to more wellbeing information to support your family during the lockdown.
(I will also be adding pages etc to our school facebook page)

For our Pacific families, if you are not aware the Ministry for Pacific Peoples' has been working to ensure useful information is available to Pacific peoples. A one-hour special will be aired on Tagata Pasifika's segment on Saturday at 9am; and on Sunday at 7.35am, Tagata Pasifika will share messages from community leaders. The Ministry is asking you to reach out to all your family members, community groups, friends and group chats to ensure our Pacific community groups are watching the programming on both days.

A big thank you to all of you for taking the lockdown so seriously. As the Prime Minister has noted staying at home will break the chain and save lives; breaking the rules could risk someone close to you and if the rules are not complied with, this could risk the lock down period being extended or could risk the virus being spread to thousands
